

Lesson 9. WRAPPING UP

Tips to Protect Yourself from Disinformation

Unit 5

Activity	Time	Instructions & objectives
Group Activity – “Brainstorm Media Literacy/Fact Checking Tips”	5 min	<p>Ask participants to remember media literacy/fact checking tips, suggestions mentioned throughout the course or anything that they think of as a helpful tip for resilience to disinformation. Write down all the ideas generated within 5 minutes on a whiteboard and have it on display throughout the lesson (you can use Padlet during online training).</p> <p>This activity will help participants think actively about what they already have learned and will prepare them for more active listening to the video.</p>
Video – “Tips to Protect Yourself from Disinformation”	6 min	<p>Ask participants to pay careful attention while watching the video to identify those tips they missed during the brainstorming activity. Link: https://youtu.be/n1LZYI5ZI4A</p>
Discussion	3 min	<p>Ask participants if they identified any tips from the video that was missed in their initial list. Ask participants which of the tips they would prioritize as top 3 and would teach their friends and family members to help them become more resilient to disinformation.</p>
Group Projects	20 min	<p>Divide participants into groups and ask each group to choose one of the following group projects to work on:</p> <ul style="list-style-type: none">- Create a poster for people who fall into your media landscape category- Create a social media post that teaches followers about media literacy- Create a lesson plan for your family members or friends to teach them on social media behavior/media literacy- Develop a speech for adults on how to use media and what they should look out for.

Lesson 9. WRAPPING UP

Tips to Protect Yourself from Disinformation

Unit 5

Activity	Time	Instructions & objectives
Project Presentations	15 min	Each group should be given 3-5 minutes for presenting their project. Depending on the project type and number of groups the presentation time will vary.
Wrapping Up	5 min	At the end of the final lesson, ask each participant to name one biggest take away from the course. Show slide 8 to wrap up key messages of the course. Review next steps - ask the participants to take the final test, explain to them how the certificate will be generated and how they will need to hand it in after they finish.
